### **Congratulations Best Employment**

Independent Member for New England, Tony Windsor has congratulated Inverell headquartered Best Employment Ltd on their success in being recognised for their Drought Force program run across the North and North West of New South Wales at a Gala Dinner in Parliament House Canberra last week.

“I was delighted to be able attend the National Work for the Dole Awards Dinner held in the Great Hall in Parliament House in Canberra last week.

I was even more delighted when it was announced that Best Employment Services had been recognised for their Drought Force program.

Congratulations to Grahame Marriott and his team at Best Employment Services for their efforts and to all those who participated in the program for doing such a great job in tough conditions.

Their efforts are very much appreciated and to be recognised with a National Award is testament to all involved. Thank you and well done,” Mr Windsor said.

Best Employment were able to assist over 60 people who lost their jobs during the drought on 40 projects and at the same time assist farmers unable to hire help because of their circumstances.

Activities ranged from the placement of a single family member or previous employee put off by the effects of the drought, to the use of a work gang that went to selected farms to assist with drought mitigation.
