### Grant to Challenge Armidale much appreciated

Independent Member for New England, Tony Windsor has welcomed the announcement of \$42,854 in funding to Challenge Armidale from the Department of Veterans' Affairs to establish a lawn mowing and garden maintenance service for the veteran community in Armidale.

"The funding to Challenge Armidale from the Department of Veterans' Affairs is very much appreciated.

It will help Challenge Armidale develop a business arm providing work for their people in the community and at the same time provide the veterans' community with a very valuable service that would not have otherwise been affordable.

I congratulate Challenge Armidale on their continuing to seek out and achieve positive outcomes for their people through their business activities and I'm sure that the quality of the work undertaken for the veterans will be just as much appreciated," Mr Windsor said.

The funding has been made available through the Veteran and Community Grants program and is administered by the Department of Veterans' Affairs.

The program has been designed to help develop projects that provide support to members of the veteran community.
