Medibank Private Sale – Smart Card – How do you feel?

Independent Member for New England, Tony Windsor wants people of the New England electorate to provide him with their thoughts on the proposed sale of Medibank Private and also the proposed introduction of a “Smart card” for dealings with Government service providers.

“The Federal Government has announced that they propose to sell off Medibank Private and also introduce a ‘voluntary’ Smart Card that will be needed for dealings with Government service providers.

These are two issues that could have far reaching impacts on many Australians and I am very keen to hear from members of the New England electorate to let me know their feelings about them.

I look forward to receiving people’s comments,” Mr Windsor said.

Mr Windsor is urging people to look closely at the information available and respond to his request by email, fax or letter.
