Tribute To The Late David Wright

Member for New England, Tony Windsor, has expressed his condolences to the family and friends of the late David Wright.

Mr Wright passed away suddenly early Sunday morning.

“There is no doubt that David Wright, through his energy and vision made a massive contribution to the Australian Beef Industry and showed that leadership through his direct involvement with the industry as well as through his family property interests” Mr Windsor said.

The Wright Family has been involved in the development of the New England Region for generations and David Wright continued that tradition and has left a lasting legacy nationally and internationally with regard to his beloved cattle industry.
