Windsor welcomes election announcement

The announcement today by the Prime Minister that the Federal election will be held on November 24 has been welcomed by the Independent Member for New England, Tony Windsor.

“I welcome the Prime Minister’s announcement of the election date of November 24.

It has been a great honour to have represented the people of the New England electorate over the last six years and I look forward to placing my record before them to continue as their representative to take their message to Canberra,” Mr Windsor said.

Mr Windsor also wished his fellow candidates well for the campaign.

“I would like to wish all of the candidates well for the upcoming campaign.

Political competition is a good thing for the community and I look forward to debating the issues with the other candidates so that the people of the New England electorate can make an informed decision as to who they want to represent them in the next term of Parliament,” Mr Windsor said.

Mr Windsor is also encouraging people who have not already enrolled to vote to do so before October 22.

“The Prime Minister’s announcement that electoral rolls will close on October 22 gives people who are not enrolled or need to change their details the opportunity to do so and I encourage people to act quickly so that they can have their say in the future of our country,” Mr Windsor said.
