MEDIA RELEASE

24 October 2007

Aboriginal Medical Centre Meeting

The Independent Federal Member for New England, Tony Windsor MP, will be meeting with indigenous representatives of the Northern Tablelands region to discuss the future of the Pat Dixon Aboriginal Medical Centre.

The Centre's future has recently been brought under scrutiny following a review of governance and service provisions from the existing Centre.

Threats to cut funding to the Centre have also been made.

Mr Windsor said he had called the meeting to discuss with the Aboriginal community what they see as the future for the Centre in the delivery of medical services to the region.

"The meeting is not intended to be a public meeting but one to ascertain the views of the various stakeholders," Mr Windsor said.
