Windsor welcomes Sustainable Regions program for Bingara and Liverpool Plains

The Independent Member for New England Tony Windsor has welcomed the announcement by the Deputy Prime Minister Mark Vaile that the Bingara District and Liverpool Plains area have been included as being eligible for funding under the new Sustainable Regions Programme.

The inclusion of these two areas of the New England electorate means that they are able to access funding to boost jobs, economic growth and community infrastructure.

“I thank Mr Vaile for including the Bingara District and Liverpool Plains in the new Sustainable Regions Program,” Mr Windsor said.
