Windsor refers Tamworth petrol price increase concerns to ACCC

The Independent Federal Member for New England, Tony Windsor, has today written to the Chief Executive Officer of the Australian Competition & Consumer Commission, Mr Brian Cassidy, requesting that petrol price increases in the Tamworth area ahead of the Country Music Festival be investigated.

Mr Windsor said his office has received several calls from constituents expressing concern in relation to an overnight increase in the price of petrol from approximately \$1.05 to as much as \$1.14 cents per litre in the Tamworth area.

“I share the concerns raised in relation to these increases and fully support an inquiry made by the State Member for Tamworth, Peter Draper, to the ACCC in relation to this issue,” Mr Windsor said.
