## MEDIA RELEASE

31 March 2009

### Tribute to the Late Keith Singh AM “A man who turned up”

The Federal Member for New England, Tony Windsor, today paid tribute to the Late Keith Singh, AM, who passed away at Nioka on Sunday evening.

Mr Windsor said Keith would be sadly missed and warmly remembered across the Tamworth region and beyond for his many years of outstanding work as a businessman, his contribution to numerous projects throughout the North West and North Coast regions as well as his exemplary qualities as a family man and a person who freely gave so much of his time for the benefit of the community.

“Keith was an extremely positive man who always saw the upside of any given issue and his sense of humour always made it a great pleasure to meet with him,” Mr Windsor said.

“He always made Lyn and I feel very welcome at various functions and occasions and his friendly nature, sincerity and wonderful personality were a great example to others.

“I have a saying ‘the world is run by those who turn up’. Keith Singh turned up for his family, his community, his business and his country and will be remembered as a great and caring contributor who leaves a lasting legacy on the world around him.

“Tamworth, the local region and many other locations will continue to benefit for many years to come as a result of Keith’s hard work and commitment to the numerous projects in which he was involved both as a businessman and through his voluntary work as a member of organisations such as Tamworth Lions.

“Lyn Joins me in extending our deepest sympathies to Keith’s wife Gwen, their children Bryan and Janelle, their family members and friends at this time of sadness,” Mr Windsor said.
