## MEDIA RELEASE

28 January 2010

### BARRABA WATER SUPPLY MEETING TOMORROW

Member for New England, Tony Windsor will be meeting with Member for Tamworth, Peter Draper MP and Tamworth Regional Council Mayor, Cr James Treloar, tomorrow morning, Friday 29 January, to discuss a joint strategy in relation to funding a pipeline from Split Rock Dam to Barraba.

Mr Windsor said the three levels of government intend to work together to achieve a positive resolution to this vital infrastructure for the Barraba community. The recent failure of the second bore at the Barraba Golf Club has reinforced the urgent need for a permanent solution to the critical water shortage in Barraba.

“It is vital that local, state and federal governments work together to provide Barraba with a secure, permanent and quality water supply” Mr Windsor said.

“The bores simply cannot and will not sustain the Barraba community with water and community assets, which have previously relied on these bores such as the golf club, are now in jeopardy of being shut down,” Mr Windsor concluded.
